## ANNE WILKINSON

**Coach, leadership, culture and  
engagement specialist**

---

*Welcome Anne, thanks for joining us today,*

**Can you tell us about your background?**

I am a coach and also work as a consultant in organisational culture, HR, and act as an Independent Chair for the NHS. Previously I worked in John Lewis responsible in various roles for Culture Transformation, Employee Engagement, Assurance, HR Leadership and Store Leadership roles. I worked closely with the Executive teams. I am the UK trainer for the 3 Vital Questions. This work enables a sustainable mindset shift for individual's and organisations where drama is reduced, empowerment and outcome focus is able to dominate.

**What do you love about coaching?**

I enjoy helping groups and individuals to see their future opportunities. It is such a privilege to have quality time to work with people to help them look beyond the obvious, develop insight into current limitations and establish a clear path to greater satisfaction and achievement. I've relished coaching in higher education.

**How would you coaching clients best describe your coaching style?**

My clients tell me they feel relaxed and safe. They enjoy us working together and find what we uncover, to be transformational on a personal and professional level.

**Are there any coaching "packages" of work you offer through Oyster Outcomes?**

I provide a range of packages for team and individual coaching through Oyster Outcomes. I'm excited to be part of the team looking at coaching to enable our clients to reimagine the future. Contact Oyster Outcomes to find out more.

*Thanks Anne, it was great talking to you and good luck with your coach offering.*
